Sims 4 Melanin Pack 3

You'll be able to see what we see when we're building the game, including images and development blogs about the Stuff Pack.. You can also peruse different icons and vote on the one that will appear in the packs box art and within the in-game catalog.. By adding your voice and your feedback, we're going to make a Stuff Pack that represents your desires.. Development here at Maxis is always a collaborative process with input from multiple disciplines that shapes everything we create.. You agree that by closing this notice, interacting with any link or button outside this notice, or by continuing to browse or download, you accept our Privacy Policy and Terms of Use.. Getting this message with no ad-blocker active Go here for help We offer more custom content than any other site and it's all for free.. The top-ranked theme and the top-ranked feature within that theme will become the core of our new Stuff Pack Other gameplay from the chosen theme may be included in the final Stuff Pack, but only the top-ranked gameplay feature is guaranteed.. Sims 4 Melanin Pack 3 Skin And Suntanning I remember SimGuruMorgan saying something about cc skin and suntanning would work if the skintones were ordered properly, but the Melanin Pack 2 by Xmiramira isn't.. Probably not Suntanning doesn't work with any of my cc skins Tanning works well with my default skin tone and some overlays guess it just depends.

This unique opportunity to work directly with all of you has our team incredibly excited.. Along the way, you're going to meet other developers on our team and learn about what they contribute.. The entire development of this new Stuff Pack will give you a transparent look into how Maxis works together to make new experiences for your Sims.. From 10 a.m. PST on November 18 until 10 a.m. PST on November 25, we're gathering your votes to help select the theme and potential gameplay for this new Stuff Pack.. Be sure to circle the following dates on your calendar and return to TheSims.com to make your voice heard.. This means our main source of income to cover bandwidth costs is blocked when you are using our free service.. Not only will your votes help determine what we create, but we'll also be sharing in-depth information about our progress throughout the process.. So come on out on your honorary producer cap and come join us We can't wait to learn more about what we'll start making in just a few short days SimGuruSarah and SimGuruNinja Don't forget that you can chat with fellow community members on The Sims 4 Forums, follow us on Twitter and Instagram, like us on Facebook, and subscribe to our YouTube channel for more updates.. Once voting begins on November 18 at 10 a.m. PST, a new section of our forums will be opened that is dedicated to this project.

You'll have a window into our process, from getting an inside look at the meetings we hold to gaining insight into how we respond to unexpected challenges.. We're going to ask you the same questions we ask ourselves, and ultimately we'll have a pack we can all be proud of.. There, we'll post regular updates and jump in to engage in spontaneous discussions.. For this first survey, we will present you with five gameplay themes, each with five possible gameplay features.. Your feedback in the forums will be another opportunity to help shape the creation of this pack.. You will have the opportunity to rank the features within the themes, and then rank the themes themselves..
